## Pharmacy Savings

From mid-February 2010 to the end of June 2010, Adams Electric's cardholders had 1,160 prescriptions filled using their Co-op Connections card and saved a total of \$15,495. The average savings was \$13.35 per prescription.

NOTE: Details about pharmacy discounts are located on the back of your Co-op Connections card and at the Co-op Connections card website. Pharmacy discounts are not insurance and are not intended as a substitute for insurance. The discount is only available at participating pharmacies.

## More Information

Co-op Connections discount cards were mailed to all Adams Electric members in February 2010. All new members also receive cards.

To see the latest list of local participating businesses go to [www.adamsec.coop](http://www.adamsec.coop) and click on "View Current Local Deals" under the Co-op Connections card. Lists are also available at any office of Adams Electric.

The Co-op Connections website has a list of deals from national businesses. Touchstone Energy recently added additional national businesses to the list such as Pet Assure and Cooperative Health Savings Plus. In addition, if you like to save money, click on the Coupons button.

## It's Your Turn

If you've had a positive experience with a participating local or national business, please share that with us and other members. Also, if there is a business you would like to see listed, let us know and we will invite that business to participate. Provide an address and contact person if known.
