Ask for **ElectriCheck: Automatic Direct Payment from your Cooperative!**

## Why sign up for ElectriCheck?

ElectriCheck simplifies your life by taking the hassle out of paying your electric bill. Once you are enrolled, your electric bill is paid automatically and conveniently on the same day each month. Save time because you never have to write a check again and make sure it gets to the post office on time. Save money by avoiding late fees and by purchasing fewer checks and postage stamps. There is no cost to you to sign up or to participate.

## How to sign up

Just complete this form, attach a voided check and return both to Adams Electric.

## How does ElectriCheck work?

Each month on the due date of your electric bill, the amount of your electric bill will automatically be deducted from your **checking** account. **You will continue to receive a billing statement so you can provide Adams Electric with your next meter reading.** The bill will include "0.00" in the pay-

ment due box and will list how much will be withdrawn from your account on the due date.

## How to send us your meter readings

You still have to provide Adams Electric with a monthly meter reading, and there are several convenient options:

1. Return your billing statement through the mail with your meter reading.
2. Call toll-free 1-888-232-6732 at any time.
3. Send your name, date, meter reading and account number via e-mail to *meterread@adamsec.com*.
4. Visit *http://ebill.adamsec.com* on the Web and sign up as a new user to view your electric bill and report your meter reading(s) electronically.
