

We all need additional ways to save.

And Adams Electric Cooperative is making it possible. As an electric cooperative member, you can use your free Co-op Connections card or key fob to receive discounts at 148 participating local businesses and more than 90 national retailers. Keep this directory handy to easily find a local participating business. Also, look for the Co-op Connections sticker on the door or cash register at the business.

Businesses can join the program at any time, so go to www.adamsec.coop to find the latest deals and more information for each business.
